2.5 AMOUNT DUE AND OWING TO DUTALAND BY RELATED PARTIES

As at 30 June 2021, no outstanding amount, arising out of the transactions as set out under sections 2.4(a) and 2.4(b) in Part A of this Circular/Statement, was due and owing by the Related Parties to the Company that exceeded the DutaLand Group’s credit terms. Relatively, there were no late payment charges imposed on the Related Parties.

2.6 RATIONALE AND BENEFITS

The Recurrent RPTs contemplated under the Proposed RRPT Mandate, which the Group entered or intends to enter into, are in the ordinary course of business, necessary for the Group’s day-to-day operations and intended to meet the business needs of the Group. These Recurrent RPTs are entered or will be entered into on an arm’s length basis and on terms not more favourable to the Related Parties than those generally available to the public.

Given these transactions are likely to occur with some degree of frequency and arise from time to time, it would be impractical to seek shareholders' approval on a case-by-case basis as these transactions may be constrained by its time-sensitive and confidential nature.

The key benefits of the Proposed RRPT Mandate are as follows:

- (a) By obtaining a shareholders' mandate on an annual basis, the Company does not have to convene separate general meetings from time to time to seek shareholders' approval as and when such Recurrent RPTs occur. Besides facilitating a smoother and more efficient conduct of the Company's business, this would substantially reduce administrative time, inconvenience and expenses associated with convening of general meetings from time to time. It will also enable manpower and time to be channeled towards attaining the corporate objectives of the Group and procuring business opportunities in a timely and effective manner.
- (b) The renewal of the mandate pertaining to the rental of office premises from the Related Party will allow the Group to continue utilising the relevant premises and/or properties. This will enable the management to exercise better control over office administration, provide allocation of space and resources effectively, as well as improve operational efficiency.
- (c) The Provision of Financial Assistance by DutaLand to DGH will facilitate DGH in meeting its preliminary expenses and pre-operational costs for the DGH Project, including but not limited to consultancy and professional fees, provision of corporate guarantee to contractors or sub-contractors, for which are necessary for the completion of the DGH Project. It will also enable the Group to utilise its financial resources effectively for positive returns to the Group upon the completion of the DGH Project.

2.7 EFFECTS

The Proposed RRPT Mandate is not expected to have any effect on the share capital and the shareholdings of Directors and Major Shareholders of the Company and it has no material impact on the NA and earnings of the Group.

3. APPROVAL REQUIRED

The Proposed RRPT Mandate is subject to the approval being obtained from the shareholders of the Company at its forthcoming 54th AGM.

4. GUIDELINES AND REVIEW PROCEDURES ON RECURRENT RPT

The DutaLand Group has established the following procedures to ensure proper review, identification and reporting of Recurrent RPTs:

- (a) All companies within the Group will be informed of the Related Parties and the existing Recurrent RPTs. Prior to entering into any Recurrent RPTs, the subsidiaries of the Company must ensure that all such transactions are undertaken on an arm's length basis; on normal commercial terms consistent with the Group's usual business practices and policies; on terms not more favourable to the Related Parties than those generally available to the public; and are not to the detriment of the minority shareholders of the Company.
- (b) The respective business units will provide prompt notifications whilst monitor movements of the Recurrent RPTs and the cumulative transaction value against the mandated amount.

- (c) The internal audit plan submitted to the Audit Committee of the Company is inclusive of the review of the Recurrent RPTs covered under the shareholders' mandate so granted. The Audit Committee will review the internal audit plan and reports to ensure relevant approval is obtained and the guidelines and internal control procedures, established to monitor the Recurrent RPTs, have been adhered to and complied with.
- (d) The Board and Audit Committee of the Company have the overall responsibility for the determination of the review procedures, including addition of new review procedures, as and when necessary. Any member of the Board or the Audit Committee who has interests in a Recurrent RPT shall abstain from all deliberations pertaining to and decision-making or voting on the transaction.
- (e) The terms and prices of the Recurrent RPTs are determined by the Group after taking into account the level of service, quality of products as compared to industry standards and current prevailing market prices applicable to similar transactions with unrelated third parties, if any, on normal commercial terms which are consistent with the Group's normal business practices and policies.
- (f) Where practical and feasible, at least two other contemporaneous transactions with unrelated third parties for similar products and/or services will be used for comparison. The Group will determine whether the price and terms offered to/by the Related Party are fair, reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products and/or services.
- (g) In the event that quotations or comparative pricing from unrelated third parties are not available (due to the product or service is a proprietary item or there are no unrelated third party vendors or customers of the same products or services), the transaction price will be determined by the Group and/or based on those offered to/by other unrelated parties for similar type of transactions. The Audit Committee and the Board ensure the Recurrent RPTs will only be entered into after taking into account the pricing, level of services, quality of products and other related factors, on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the Group.
- (h) There are no thresholds set for the approval of Recurrent RPTs as all Recurrent RPTs will be reviewed by the Audit Committee and endorsed by the Board or approved by the shareholders pursuant to the threshold as set out in the Listing Requirements.
- (i) The Company will, in accordance with paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, disclose in the Annual Report of the Company the breakdown of the annual aggregate value of the transactions conducted under the Proposed RRPT Mandate during the financial year under review.

The aforesaid guidelines and review procedures on Recurrent RPTs are guided by the following principles:

To: Shareholders of DutaLand Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR SHARE BUY-BACK

1. INTRODUCTION

The Company had, at its 53rd AGM held on 5 November 2020, obtained a general mandate from its shareholders for DutaLand to purchase its own shares of up to 10% of its total number of issued shares at any point in time, as detailed in the circular/statement to shareholders of the Company dated 7 October 2020 ("Existing SBB Mandate").

The Existing SBB Mandate shall lapse at the conclusion of the forthcoming 54th AGM of the Company, pursuant to the Listing Requirements, unless it is renewed.

On 21 October 2021, the Company announced on its intention to seek approval from the shareholders at the 54th AGM for the renewal of the Existing SBB Mandate as detailed in Part B of this Circular/Statement.

THE PURPOSE OF PART B OF THIS CIRCULAR/STATEMENT IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION PERTAINING TO THE PROPOSED SHARE BUY-BACK MANDATE AND TO SEEK YOUR APPROVAL FOR ORDINARY RESOLUTION 11, AS SET OUT IN APPENDIX II OF THIS CIRCULAR/STATEMENT, WHICH WILL BE TABLED AT THE FORTHCOMING 54TH AGM OF THE COMPANY.

WE ADVISE YOU TO READ CAREFULLY THE CONTENTS OF PART B OF THIS CIRCULAR/STATEMENT AND CONSIDER BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHARE BUY-BACK MANDATE AT THE FORTHCOMING 54TH AGM OF THE COMPANY.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK MANDATE

The Proposed Share Buy-back Mandate will allow DutaLand to purchase, through stockbroker(s) appointed by DutaLand, and/or hold from time to time and at any time such amount of Shares up to a maximum of 10% of its total number of issued Shares for the time being quoted on Bursa Securities, subject to Sections 112, 113 and 127 of the Act, Chapter 12 of the Listing Requirements and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities ("Prevailing Laws") at the time of the purchase(s). Any DutaLand Shares, under the Proposed Share Buy-back Mandate, shall be purchased through the stock exchange of Bursa Securities.

The shareholders' approval for the Proposed Share Buy-back Mandate does not impose an obligation on the Company to purchase its own Shares. However, it will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the validity period stated hereinunder.

2.1 QUANTUM

As at the LPD, the total number of issued Shares of the Company was 846,118,039 Shares (including 14,203,900 treasury shares held by the Company). Premised on the above, the maximum number of Shares that may be purchased further or held as treasury shares by DutaLand is 70,407,903 Shares (excluding 14,203,900 treasury shares held by the Company as at LPD) as illustrated in section 3 in Part B of this Circular/Statement.

2.2 FUNDING

The Proposed Share Buy-back Mandate will be funded from internally generated funds provided that the purchase is backed by an equivalent amount of retained profits of DutaLand, subject to compliance with the Prevailing Laws.

The Company shall only implement the Proposed Share Buy-back Mandate when its retained profits are sufficient at the material time which shall be the total maximum amount of funds allocated to buy back its Shares. As at 30 June 2021, the retained profits of the Company were approximately RM117,670,000 based on its audited financial statement FYE 2021.

The actual number of Shares to be purchased will depend on, among others, market conditions and sentiments of the stock market as well as the financial resources available to DutaLand as at the point of purchase(s).

2.3 VALIDITY PERIOD

The Proposed Share Buy-back Mandate, if approved at the forthcoming 54th AGM of the Company, will take effect on 30 November 2021 upon the passing of Ordinary Resolution 11 and the authority conferred will continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the forthcoming 54th AGM unless, by an ordinary resolution passed at the next AGM of the Company, the authority is renewed; or
- (b) the expiration of the period within which the next AGM of the Company, after that date, is required to be held pursuant to Section 340(2) of the Act but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act; or
- (c) the authority is revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

2.4 PURCHASE, RESALE OR TRANSFER PRICE

Pursuant to Paragraph 12.17 of the Listing Requirements, DutaLand may only purchase Shares on Bursa Securities at a price which is not more than 15% above the WAMP for the Shares for 5 Market Days immediately before the date of any purchase(s).

Pursuant to Paragraph 12.18 of the Listing Requirements, DutaLand may only resell treasury shares on Bursa Securities or transfer treasury shares pursuant to Section 127(7) of the Act:

- (a) at a price which is not less than the WAMP for the Shares for the 5 Market Days immediately before the resale or transfer; or
- (b) at a discounted price which is not more than 5% to the WAMP for the Shares for the 5 Market Days immediately before the resale or transfer provided that:
 - (i) the resale or transfer takes place no earlier than 30 days from the date of purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of the Shares being resold or transferred.

2.5 TREATMENT OF PURCHASED SHARES

Pursuant to the provisions of Section 127 of the Act, the Board may, at its discretion, to deal with the Purchased Shares in the following manner:

- (a) cancel the Purchased Shares;
- (b) retain the Purchase Shares as treasury shares;
- (c) retain part of the Purchased Shares as treasury shares and cancel the remainder of the Purchased Shares;
- (d) distribute the treasury shares as share dividends to the shareholders of the Company;
- (e) resell the treasury shares through Bursa Securities in accordance with the relevant rules of Bursa Securities;
- (f) transfer all or part of the treasury shares for purposes of an employees' share scheme;
- (g) transfer all or part of the treasury shares as purchase consideration;
- (h) cancel all or part of the treasury shares; or
- (i) sell, transfer or otherwise use the treasury shares for such other purposes in any other manner as prescribed by any Prevailing Laws for the time being in force.

Pursuant to Section 127(5) of the Act, shares that are purchased by the Company, unless held in treasury, shall be deemed to be cancelled immediately upon purchase. Further, Section 127(8) of the Act provides that the holder of treasury shares shall not confer:

- (a) the right to attend and vote at general meetings and any purported exercise of such rights is void; and
- (b) the right to receive dividends or other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding-up of the Company.

The Company will make appropriate and timely announcement(s) to Bursa Securities in respect of the Board's decision on the treatment of Purchased Shares.

2.6 RATIONALE FOR THE PROPOSED SHARE BUY-BACK MANDATE

The Proposed Share Buy-back Mandate will enable DutaLand to utilise its surplus financial resources to buy back its Shares at prices which the Board deems as favorable. It may stabilise the supply, demand and price of Shares in the open market, thereby supporting its fundamental value.

Where Purchased Shares are held as treasury shares, the Directors would have an option to distribute these Shares as dividends to reward DutaLand's shareholders and/or resell these Shares at prices higher than their purchase prices and utilise the proceeds as working capital or for any feasible investment opportunities arising in the future.

If the Purchased Shares are subsequently cancelled, the Proposed Share Buy-back Mandate may strengthen the EPS of DutaLand. Consequently, long-term investors are expected to enjoy a corresponding increase in the value of their investments in the Company.

The Proposed Share Buy-back Mandate is not expected to have any potential material disadvantage to the Company and its shareholders, and it will be implemented only after due consideration of the financial resources of the Group and of the resultant impact on the shareholders of the Company.

2.7 POTENTIAL ADVANTAGES AND DISADVANTAGES

- (a) The potential advantages of the Proposed Share Buy-back Mandate to the Company and its shareholders are as follows:
 - (i) the Proposed Share Buy-back Mandate allows the Company to take preventive measures against speculation particularly when its Shares are undervalued, which would in turn stabilise the market price of the Shares, and hence enhance investors' confidence;
 - (ii) the Purchased Shares, if cancelled, will allow the Company the flexibility in achieving the desired capital structure, in terms of debt and equity composition and size of equity;
 - (iii) if the Purchased Shares retained as treasury shares are resold at a higher price, it will provide the Company with opportunities for potential gains; and
 - (iv) the treasury shares held may be distributed as share dividends to reward the shareholders of the Company, or transferred for purposes of an employees' share scheme, or as purchase consideration.
- (b) The potential disadvantages of the Proposed Share Buy-back Mandate to the Company and its shareholders are as follows:
 - (i) the Proposed Share Buy-back Mandate will reduce the financial resources of the Group and may result in the Group foregoing other investment opportunities that may emerge in the future; and
 - (ii) the Proposed Share Buy-back Mandate may result in the reduction of financial resources available for distribution to shareholders in the immediate future given purchase(s) of own Shares can only be made out of retained profits of the Company.

In any case, the Board will, in exercising any decision on the Proposed Share Buy-back Mandate, be mindful of the interests of DutaLand and its shareholders.

3. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK MANDATE

On the assumption that the Proposed Share Buy-back Mandate is implemented in full by DutaLand, the financial effects are as follows:

3.1 SHARE CAPITAL

The effects of the Proposed Share Buy-back Mandate on the Shares will depend on whether Purchased Shares are cancelled or retained as treasury shares.

The Proposed Share Buy-back Mandate will result in a reduced number of issued Shares if Purchased Shares are cancelled. If Purchased Shares are retained as treasury shares, resold and/or distributed to DutaLand's shareholders as share dividends, the Proposed Share Buy-back Mandate will have no effect on the total number of issued Shares.

The pro forma effects of Shares are as set out below, assuming that the maximum number of Shares (of up to 10% of the Shares) as authorised under the Proposed Share Buy-back Mandate, are purchased and cancelled:

	After Implementation of the Proposed Share Buy-back Mandate (No. of Shares)
Total number of issued Shares	846,118,039
<i>Treasury shares held as at LPD</i>	<i>(14,203,900)</i>
<i>Maximum number of Shares may be purchased further</i>	<i>(70,407,903)</i>
Resultant pro forma Shares assuming all Shares so purchased are cancelled	761,506,236

3.2 NA AND EPS

The effects of the Proposed Share Buy-back Mandate on the consolidated NA per Share and EPS are dependent on the purchase price of Purchased Shares and the effective funding cost or opportunity loss in the interest income to DutaLand.

The Proposed Share Buy-back Mandate will reduce the consolidated NA per Share if the purchase price exceeds the consolidated NA per Share at the relevant point in time, and conversely will increase the consolidated NA per Share if the purchase price is below the consolidated NA per Share at the relevant point in time.

If the treasury shares are resold, the consolidated NA per Share, upon resale, will increase if DutaLand realises a gain from the resale, and vice versa. If the treasury shares are distributed as share dividends to shareholders, the consolidated NA per Share will decrease by the cost of the treasury shares. If the treasury shares are cancelled, the consolidated EPS will increase as a result of the reduction in total number of issued Shares.

3.3 WORKING CAPITAL

The Proposed Share Buy-back Mandate will reduce the working capital of DutaLand to the extent of the amount of funds utilised for Purchased Shares. The working capital of DutaLand Group may increase if Purchased Shares, that retained as treasury shares, are subsequently resold subject to the purchase price and the resale price.

3.4 DIVIDEND

The Proposed Share Buy-back Mandate is not expected to have any impact on the policy of the Board, if any, in recommending dividends to DutaLand's shareholders. The level of dividend to be declared or recommended, if any, will be recommended and determined by the Board after taking into consideration the performance, cash flow position and financing requirements of DutaLand Group.

Following the implementation of the Proposed Share Buy-back Mandate, the Company will be mindful of the number of Shares to be purchased, retained as treasury shares, cancelled and/or distributed, if any, so as to avoid triggering any mandatory offer obligation. If the Company triggers a mandatory offer obligation as a result of the implementation of the Proposed Share Buy-back Mandate, the Board will seek guidance and, if deemed appropriate, will consider applying for an exemption pursuant to the Code.

FURTHER INFORMATION

1. DIRECTORS' RESPONSIBILITY STATEMENT

This Circular/Statement has been seen and approved by the Board of the Company and they collectively and individually accept full responsibility for the accuracy of the information given in this Circular/Statement and confirm that, after having made all reasonable enquiries and to the best of their knowledge and belief, there are no other facts, the omission of which would make any statement in this Circular/Statement false or misleading.

2. MATERIAL LITIGATIONS

Save as disclosed below, neither DutaLand nor its subsidiaries is, as at LPD, engaged in any material litigation, claims or arbitration, either as plaintiff or defendant which has a material effect on the financial position or business of the DutaLand Group and the Directors of DutaLand are not aware of any proceeding, pending or threatened against the DutaLand Group or any facts likely to give rise to any proceeding which may materially and adversely affect the financial position or business of the DutaLand Group:

- (i) On 10 May 2013, Lin Wen-Chih and Lin Wen-Chuan ("Plaintiffs") commenced legal action at the High Court in Tawau, Sabah, against Pacific Forest Industries Sdn Bhd and DutaLand ("Defendants") for the recovery of the sum of RM6,223,241.00 plus RM10,635,945.65 interest as at 10 May 2013 being the alleged debt owing by Pacific Forest Industries Sdn Bhd to the Plaintiffs, to which DutaLand stood as a guarantor. The High Court dismissed the Plaintiffs' claim on 11 June 2018. The Plaintiffs filed an appeal to the Court of Appeal on 5 July 2018, and the Defendants filed a cross-appeal in the Court of Appeal on the issues of res judicata and limitation. The appeal and cross-appeal originally scheduled for hearing before the Court of Appeal on 26 August 2020 were postponed to 23 October 2020. On 23 October 2020, the Court of Appeal dismissed the Plaintiffs' appeal and allowed Defendants' cross-appeal with costs of RM20,000.00. Essentially, the Court of Appeal found that the Plaintiffs' claim is caught by limitation and res judicata. The Plaintiffs being dissatisfied with the decision of the Court of Appeal had since filed a Notice of Motion for leave to appeal to the Federal Court on 18 November 2020. The Motion for leave was fixed for hearing on 15 June 2021 whereby after hearing the parties, the Federal Court had allowed the Motion and granted leave to the Plaintiffs to appeal against the decision of the Court of Appeal with costs in the cause. On 28 June 2021, the Plaintiffs filed their Notice of Appeal to the Federal Court. The Record of Appeal was filed on 5 August 2021. The Federal Court had originally fixed the appeal for case management on 23 August 2021, however, the same was adjourned to 1 November 2021. The Federal Court is expected to fix a hearing date for the proper appeal during the case management on 1 November 2021.

Based on the grounds of decision provided by the Court of Appeal, our solicitors are of the view that the Federal Court should maintain the decision of the Court of Appeal.

- (ii) On 13 December 2006, Rinota Construction Sdn Bhd ("Petitioner") filed an action against Mascon Rinota Sdn Bhd ("MRSB"), Mascon Sdn Bhd ("MSB"), Olympia Industries Berhad ("OIB") and others at the Kuala Lumpur High Court ("KLHC") by virtue of an alleged oppression under Section 181 of the then Companies Act 1965 ("Original Petition"). The Petitioner sought damages of approximately RM8.0 million. On 21 October 2007, the Petitioner filed an application to amend the Original Petition by adding Mascon Construction Sdn Bhd ("MCSB"), a subsidiary of DutaLand, as another respondent and such application was subsequently allowed by KLHC. MSB, a subsidiary of OIB, was wound up on 25 March 2008. On 29 August 2012, KLHC ruled in favour of the Petitioner with an order for MCSB and others to buy out the Petitioner's shareholding in MRSB which is a subsidiary of MSB. On 27 September 2012, MCSB and the others appealed against this decision, which appeal was allowed by the Court of Appeal with costs of RM100,000.00. The Petitioner filed an application for leave to appeal to the Federal Court ("the Court") which was granted on 21 June 2016.

FURTHER INFORMATION (continued)

The appeal proper was heard on 22 May 2017 and dismissed with cost of RM100,000. The Federal Court reinstated the order of the High Court which ordered that all the respondents purchase the shares owned by the Petitioner in MRSB and that a certified public accountant be appointed to inspect the accounts of MRSB and file a report to the High Court of the results of the inspection to determine the value of the shares, together with payment of RM100,000 being costs to the Petitioner for the hearing in the Federal Court and the Court of Appeal. The High Court had fixed the case for further case management before the judge on 3 May 2018 for the appointment of the certified public accountant. The Court had allowed the Petitioner's application for extension to re-appoint BDO Governance Advisory Sdn Bhd ("BDO") as the Court appointer auditor. Pursuant to the court order dated 26 June 2018, BDO had 6 months from 26 June 2018 to prepare the accountant's report.

On 17 January 2019, the Court was informed by the Petitioner that they would file a notice to appoint a new Auditor as the earlier Auditor failed to complete the accounts within the given time frame. The Court had directed for the Petitioner to file the notice on or before 31 January 2019. On 31 January 2019, the Petitioner informed the Court that they have appoint a new Auditor, Ferrier Hodgson MH Sdn Bhd ("FHMH"), and the Court had fixed the matter for decision on 22 April 2019. On 23 July 2019, the Court dismissed the order sought by the Petitioner to appoint FHMH to prepare an accountant's report to advise the Court on the fair price of the shares. On 6 August 2019, the Petitioner filed an appeal against the High Court's decision to dismiss the order sought by the Petitioner. The ground of High Court's judgement was published on 15 November 2019. The Court of Appeal fixed the appeal for case management on 10 March 2020.

On 10 March 2020, the Court of Appeal fixed the appeal for hearing on 7 July 2020. On 7 July 2020, the Court of Appeal allowed the Petitioner's appeal to appoint FHMH in replacement of BDO, with costs of RM15,000.00 payable to the Petitioner ("COA Order dated 7 July 2020"). Case management was fixed on 17 August 2020 before the High Court for further directions on the appointment of FHMH. On 5 August 2020, the Respondents filed for leave to appeal against the COA Order dated 7 July 2020 to the Federal Court ("FC Leave Application"). The FC Leave Application was fixed for case management on 7 September 2020.

On 17 August 2020, the Petitioner informed the Court that FHMH has been appointed pursuant to the COA Order dated 7 July 2020 to prepare an accountant's report to advise the High Court on the fair buy-out price of the Petitioner's shares in Mascon Rinota Sdn Bhd. The Petitioner is required to produce the said report within 4 months from the COA Order dated 7 July 2020 i.e. by 7 November 2020. The Learned Judge directed both parties to submit their accountant's reports by 30 September 2020 and has fixed case management on 1 October 2020.

On 1 October 2020, the matter was called up for case management before the High Court. Parties informed the High Court that they have nominated their respective Auditor. Meanwhile, parties jointly applied for an extension of time to file and exchange accountant's reports given that parties in the midst of retrieving the requisite documents to enable their Auditor to finalise their accountant's reports. The High Court took note of the same and fixed the matter for further case management on 30 November 2020 for parties to update the High Court on the status of the parties' accountant reports. However, due to the extension of the Conditional Movement Control Order till 9 December 2020, the High Court rescheduled the matter for case management to 9 February 2021.

FURTHER INFORMATION (continued)

On 11 November 2020, the FC Leave Application was called up for case management. In light of the extension of the Conditional Movement Control Order till 9 December 2020, parties have agreed to proceed with FC Leave Application by way of an online hearing on 25 November 2020. On 25 November 2020, the Federal Court allowed the FC Leave Application for leave to appeal ("FC Leave Order").

On 8 December 2020, the Petitioner filed a motion to discharge the FC Leave Order. At the hearing of motion on 8 February 2021, the Federal Court allowed the Petitioner's Motion to Discharge the FC Leave Order with costs of RM40,000.00.

At the case management before the High Court on 9 February 2021, the Court directed both parties to file and exchange their respective accountant's reports on or before 10 May 2021 and respective rebuttal reports on or before 10 June 2021.

On 10 May 2021, the Respondents filed a Notice of Application to replace Bridge Corporate Management with KPMG Corporate Advisory Sdn Bhd ("KPMG") in order for the expert report to be prepared and finalised expeditiously. The Respondents' Notice of Application dated 10 May 2021 was called up for case management on 19 July 2021 and upon hearing submissions from parties, the Court allowed the Respondents' Notice of Application dated 10 May 2021. Pursuant thereto, KPMG was appointed as the Respondents' accountants and were given 4 months from 19 July 2021 i.e. by 18 November 2021 to prepare its expert report. The Court then fixed 3 December 2021 for case management, for parties to update the Court on the status of the expert report.

The Board upon advice of the solicitors is of the view that the outcome of the assessment on the fair value of the shares will be dependent on the respective parties' accountant reports.

- (iii) On 28 April 2000, Lin Wen-Chih & Lin Wen-Chuan ("Plaintiffs") filed a suit in Kuala Lumpur High Court ("First Suit") against DutaLand Berhad (which was then known as Mycom Berhad). The First Suit was for alleged breach of contract by DutaLand, namely DutaLand had breached the Share Sale Agreement (for the purchase of shares in Veramax Sdn Bhd) as DutaLand had failed to make payment for the RM55 million consideration. The First Suit was heard on the merits and the Plaintiffs' claim was dismissed by the Kuala Lumpur High Court on 11 October 2010. The Plaintiffs' appeal to the Court of Appeal was also dismissed on 20 November 2013. Leave to appeal to the Federal Court was also dismissed on 20 October 2014.

The Plaintiffs filed anew for an order on 5 October 2018 ("Plaintiffs' Suit") to set aside the earlier judgement in favour of DutaLand Berhad (which was then known as Mycom Berhad) and affirmed by the Federal Court.

On 19 December 2018, DutaLand filed a formal application to strike out the Plaintiffs' Suit on the ground that the Kota Kinabalu High Court has no territorial jurisdiction to hear the matter as the events complained of occurred in Kuala Lumpur. On 26 February 2019, the Kota Kinabalu High Court allowed DutaLand's application and struck the Plaintiffs' Suit. Being dissatisfied, on 21 March 2019, the Plaintiffs filed an appeal to the Court of Appeal against the decision dated 26 February 2019. The matter is now fixed for hearing on 27 October 2021.

Based on the facts of the case, our solicitors are cautiously optimistic on a positive outcome for DutaLand's in the pending appeal before the Court of Appeal.
